WETANKYOU SINCE 1937

Our Identity

VISION

We aim to provide the best solutions for applications and industrial vehicles that in turn create value and improve people's lives.

Together we build the future.

MISSION

We design and supply solutions for industrial vehicles and machinery with tanks (oil, diesel and combined) and accessories, providing expertise and support right from the planning stage.

As #tankspecialist we identify the best choice for the specific application.

WETANKYOU since 1937.

Family company since 1937, we are a prime manufacturer of oil, diesel and combined tanks for industrial vehicles and machinery.

Our strong focus on R&D, innovation, technology and support to our customers is translated into action by PADOAN GROUP.

We develop our solutions working side by side with our customers who mainly are bodybuilders, OEMs and distribution networks in more than 50 Countries worldwide.

The Italian design and quality mark out our wide range of tanks that is divided in "N" (the standard and multipurpose line) and "X", tanks which are designed and customized according to the customer and application needs.

We look forward to supporting you in reaching your goals.

TANK it easy

Padoan's identity is unique, as a TANKSPECIALIST, and at the same time it is marked by multiple facets that, individually and as a globality, aim to represent added value for those who rely on Padoan to achieve their goals.

The added value can be found in one word: **SOLUTION**.

The world of industrial vehicles and machinery is a complex field, characterised by a plurality of processes, even in procurement.

That is why the services and daily activities ensured by Padoan aim to represent a **plus** that joins the **experience** and **specialisation** on tanks for industrial vehicles and machinery, developed in **more than 85 years of activity**.

Padoan aims to be a partner that takes care of every detail, making your business and professional life easier.

In a few words: **TANK it easy**.
